QL-700

Plug and play
PC connectable
label printer

Free 3 year warranty as standard

The QL-700 label printer makes printing labels easier and more affordable than ever before. Whether you're producing address labels, signage labels, ID passes or barcode labels, the QL-700 has the label type for you.

Compact in size, but big in performance capability. Print up to 93 labels a minute, this easy to set-up printer offers hassle-free plug and print usage without the need for the installation of drivers or software.

For professional results every time, the in-built auto cutter professionally cuts bespoke sizes quickly when using the continuous roll, leaving you more time to design the ideal original label for the job. Or simply choose from the supplied suite of template designs for home or office applications.

Key features:

- Unique continuous roll for printing labels up to 1m long

- Versatility due to a range of pre-sized labels and continuous rolls

- Durable in-built automatic cutter

- No need to install a driver, just plug it in your PC and print

- Print address labels directly from Microsoft Word, Excel and Outlook

- Space-saving design due to its small footprint

- Free P-touch Editor software for customisation of your labels.
